## Authorized Encampment Operators

### *2015 Request for Qualifications*

	Program Area	Question	Answer
1	Authorized Encampment Operators	Is it correct that no personnel costs are eligible for reimbursement? The guidelines seem clear on this point, but there is a column in the Personnel Budget spreadsheet for "Requested HSD" as a Fund Source.	Personnel costs are not eligible for reimbursement. The HSD column in the Personnel Budget sheet is an error.
2	Authorized Encampment Operators	The list of required documents in the RFQ differs from the standard submission requirements. Should we include both sets of documents in our application?	You only need to submit the items listed in the Proposal Checklist on Page 9 of the RFQ.
